Message to Parents
 Roller Skating Birthday is exciting and different. Children love the fun, live DJ, games and participation. Skating is easy. It only takes a short time for the children to gain their confidence. We encourage parents to stay. Enjoy the fun and even join in. Fun Skates | Skates are always welcome. The five of Skates are included in the party booking, however a \$3 five fee is charged on Roller Skade five. Please remember all our children's birthdays are smoke free.
