*A Roller Skating Birthday is exciting and different.
Children love the fun, live DJ, games and participation.*

*Skating is easy. It only takes a short time for the children
To gain their confidence. We encourage parents to stay.
Enjoy the fun and even join in.*

*Own Skates / Blades are always welcome. The Hire of
Skates Skates or blades is an extra \$2/pair.*

Please remember all our children's birthdays are Smoke Free.
