A Roller Skating Birthday is exciting and different.  
Children love the fun, live DJ, games and participation.

Skating is easy. It only takes a short time for the children  
to gain their confidence. We encourage parents to stay.  
Enjoy the fun and even join in.

Our Skates / Blades are always welcome. The hire of  
Skates / Blades are an extra \$3/pair.

Please remember all our children's birthdays are Smoke Free.
